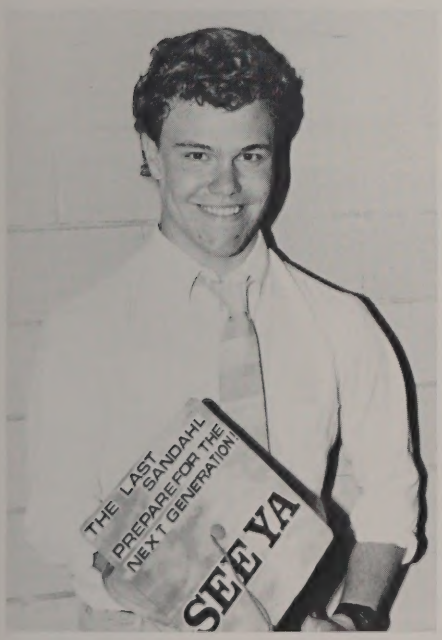
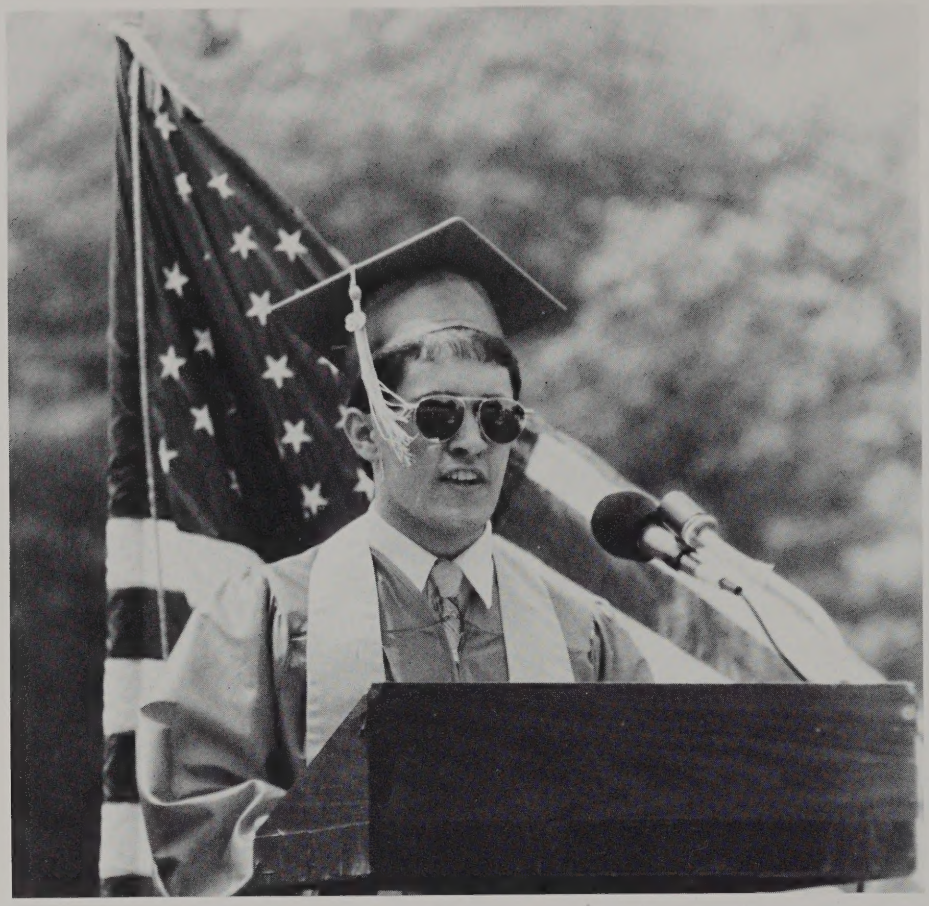
Class Of 1989

Nothin's Gonna Stop Us Now





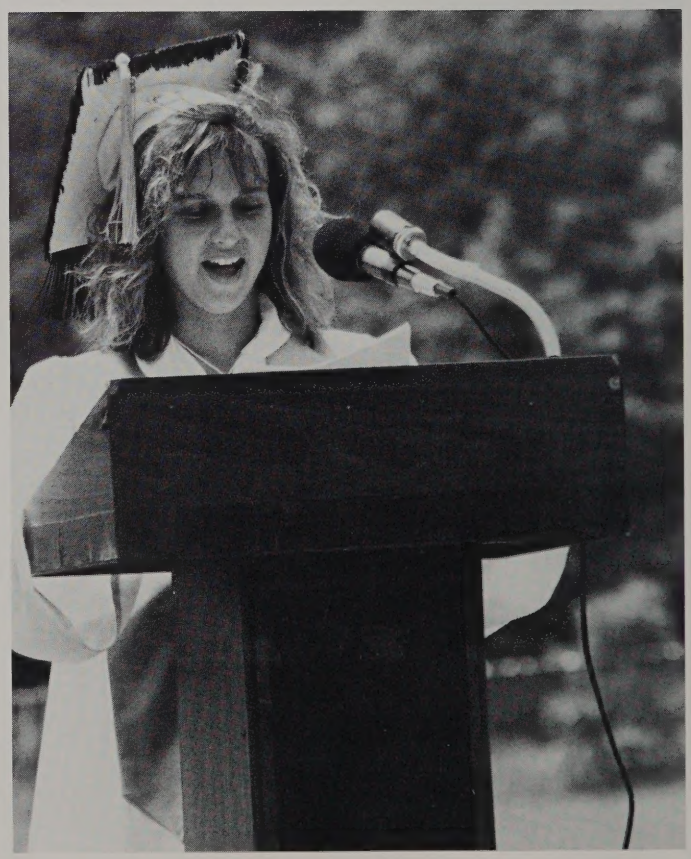
Valedictorian

Edward Dionne

We are the class of 1989. We are 250 individuals. Individuals with different ideas and different dreams. We all will have different lives and different views of success . . . .

To achieve success, you must have confidence in yourself. You must respect yourself. When you can do this, you can respect the difference of others. This is not to tolerate injustice, but rather to eliminate it. If we could all be respected and given equal opportunities, this would be a much better world.

Principal Lester Burch addresses the graduates



Senior president Danielle Comeau presents the class gift

Salutatorian

Meghan Sullivan

There is an old cliché that is heard very often around graduation time that "commencement means a new beginning." That may be true but I feel that graduation is more of a time to remember our past four years here at Walpole High School than to rush into what lies ahead of us . . .

We have many memories of high school to cherish and we have learned much over our four years, but I think the most important lesson has been to accept and respect the differences in people.

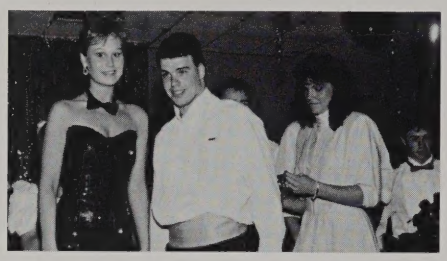
ACTIVITIES

Senior Class

The senior class officers decided to give a class gift to beautify the school. They enlisted the help of some shop classes who planted Rhododendrons and evergreens at the front entrance.

Arlyce Porcher, Narda Lovell and Nariman Mansour volunteered as a committee to plan graduation. They ran the Motto contest. The Class Trip was planned and organized by Sarah Maneikis.

Senior Class Officers: (L to R) Karen Collins, assistant treasurer, Michelle Finnegan, vice president, Doug Cantrell, secretary, Danielle Comeau, president, Sarah Maneikis, treasurer, Tom Morris, advisor



Junior Class

The junior class again sponsored the annual Junior-Senior Prom on May 12 at Demitri's Red Snapper. This year the prom proved to be a great success with a large turnout. Also, a student vs faculty volleyball game was held. Even though there was not a large turnout of spectators, the participants enjoyed themselves. The carnation sale on Valentines Day once again proved to be successful.

Junior Class Officers: (L to R) Janet Williams, advisor, Kristin Lombard, vice-president, Nicole Johnson, treasurer, Kevin Irvine, president, John Hogan, secretary, Diana Hampe, advisor

Sophomore Class

The high point of the year was a ski trip at Pat's Peak in Henneker, New Hampshire. A Candy Count for Globe Santa raised $50. A Spring Dance was also planned and held.

Sophomore Class Officers: (L to R) Greg DeMeo, advisor, Allison Baker, Patty Lee, Christina Terio and Mike Rizzo.

Freshman Class

Two very successful fund raisers were held this year: the sale of beach towels and wrapping paper. These events and the collection of class dues made the year profitable.

Freshman Class Officers: (L to R) Dianne Barr, advisor, Brett Nicoletti, Dan Porazzo, Erin Platukis, Chris Vlahos

Rebel News And Views

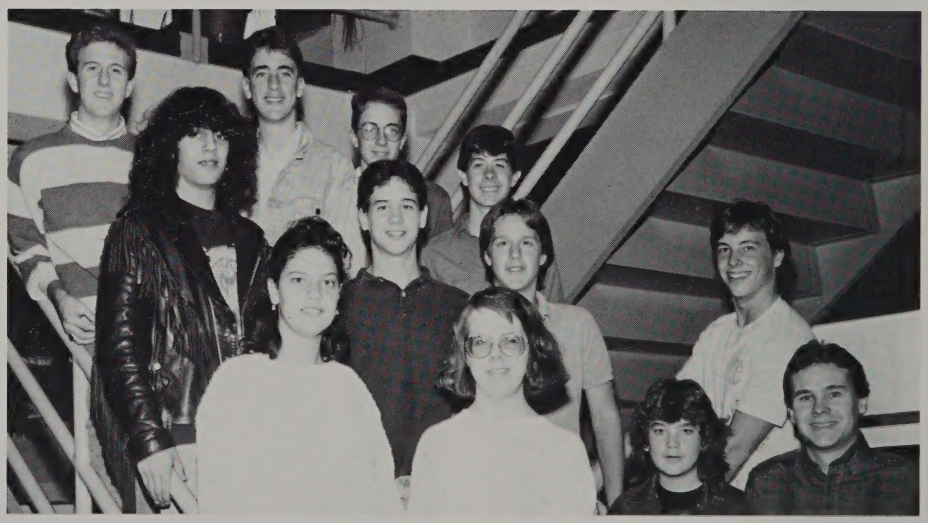
This group met daily as a regular class to produce a biweekly cablecast on Walpole Educational Cable Channel 2. They broadcast news stories on school events, did interviews and special features.

Front row: L to R: Craig Frost, Amy Paquett, Paula Devine, Jen Dewey, Karen Nagle, Jeff Kerr, Dagne Hall, Kristen Ferrara, John Rindone. Back Row: Stephen Collins, Brian Sylvestri, John Bracco, Doug Cantrell, Diane Hudson, advisor, Jason Lightbody, Eric Hasenjaeger, Steve Triveri, Glen Johnson, Tony Ferullo

Radio Station

Last Spring extensive new equipment was installed in station WSRB, 91.5 FM, including a main audio board. This improved the quality of sound and allowed students to have a better idea of how a radio station functions. Students this year did programming, covered school events and reported all school news and announcements from 12.30 until 5 p.m.

Front row: Naraman Mansour, Jennifer Duffy, Noel Spada, Tim Hogan, advisor. Middle row: John Rindone, Steve Berry, Jamie Rapp, Jeff Moran. Back Row: Jeff Kerr, Jim Raker, Cris Valle, Mark Bevivino



Journalism

Mr. Schnorbus' journalism classes, now full year courses, are responsible for the production of the Rebellion, the Rebel Runt and the Educator's Exchange. Each member of the staff, this year a total of 40 students, is responsible for an article every two weeks. These articles are then channeled into the three publications. First, the copy is prepared in the Apple IIGS by the reporters themselves. They are then transferred to the MacIntosh computer and, ultimately, posted on the layout boards in Rm. 344. Once all of this is completed, the 16 page Rebellion is printed professionally by Graphic Printers in Mansfield.

Rebellion Editors include:
Linda Sullivan - news editor
Bryan Keeling - editor of Rebellion

The same process was used for the 4 page Rebel Runt edited by Tini Tarbell. Articles were collected from Walpole's 4 schools and put together to form the Educator's Exchange.

Editors included:
Anne Gamache, Kelley Cronin
Jill Palleiko - art editor

Darkroom Staff

The photographs for all publications are processed in the darkroom (Rm. 344) by members of the darkroom staff. Students take the photographs and bring the film to the darkroom. The darkroom staff processes it into half-tones, which are used in the production of papers. Aside from developing film, these students also enlarge pictures from negatives and fill all work as contact proofs with negatives attached, to be used as a constant source of reference.

Choral Groups

Both the Girls' Chorus and the full chorus have undergone many changes this year, but both groups have handled the difficulties well. There was a teacher change; Fred Kingsbury began teaching in September and resigned in January, when Terry Horowitz took over the classes. Both teachers helped the students put together four wonderful performances. Mr. Kingsbury ended his job with an enjoyable Winter concert. The Chorus under Ms. Horowitz performed at the Middle Schools, held a Spring concert and finished the year with the annual Pops Night.

Yearbook

This year was a busy one for the Yearbook staff. Meetings were held after school to make decisions about the book's format and content. Homeroom reps kept seniors informed about senior pictures and writeups and then collected and typed all the writeups.

The editorial staff wrote and typed feature articles, did layouts, obtained ads and selected pictures.

The group of selected seniors discuss laws, students rights and they are able to input their own ideas, including opinions of fellow students at their high school. This group is very helpful in learning about how school governments are run.

In Remembrance

EPITAPH

When I am gone
Do not weep for me.
Just speak of the things I loved.
Of the deeds I accomplished
And of the lives I influenced.
Just say that I did what I had to do
I helped those who needed help
And gave directions to the lost.
Look far into yourself
And see me there.
Breathe deeply of God's fresh air
And find me there.

FIELD HOCKEY

Walpole High School Porkers finished a successful regular season with a record of 17-1, good enough to capture the league title. It was once again time for the state tournament to begin. Walpole started out beating an inexperienced Middleboro team by a score of 3-0. Walpole then faced a tough Dartmouth team and once again came away with a win. The third game, versus Duxbury, proved to be one of the most competitive games for the Porkers. After the regulation period, the score was tied at 0-0. The first overtime again was scoreless. Nevertheless, Walpole showed its winning form in the second OT by scoring two goals. Duxbury managed one goal in this time frame, only after veteran right link Meghan Sullivan came out of the game with a broken wrist. In the South Sectional Finals, the Porkers faced a fiesty Bellingham team. All the Porkers did their best, but it was just not enough to come away with a win, thus ending a very successful season.

FOOTBALL

This year's Rebel football team had a great season but a tough one. They ended with a record of 7-2 which was not sufficient for them to be considered contenders in the Super Bowl, but was enough to rank them 2nd in the league and 6th in the State. Even though the team suffered a large loss of seniors from the previous year, it was a year we will all remember.

GIRLS SOCCER

When the Girls Soccer Team began its preseason practice in mid-August, the prospects for a successful team were very bright. However, due to injuries and occasional late period slumps, the season turned out to be a disappointing one with a record of 6-9-3. Co captains were Anne Gamache and Andrea Flynn. Anne was the second leading scorer in the league this year.

GIRLS' SWIMMING

The Walpole Rebels Girls' Swim Team had a great season this year. The girls practiced hard all season and, although the Rebel Swimmers only won about half their meets, they showed great determination, good sportsmanship, and much improvement, as well as creating many good times, a lot of fun, and memorable events for all who participated. The Seniors have been on the team since it began, just three years ago, and would like to leave to next year's team and all of those in the future, their team spirit, which has been a key ingredient to the team's success thus far.

GYMNASTICS

Although the gymnastics team finished the season without a victory this year, there was a considerable improvement over last year. Their average scores per meet were about 30 points higher than last year. The competing team was comprised only of freshmen and sophomores at a varsity level. Despite their 0-10 record, the team is looking forward to some wins next year. Tracey Bates was the most valuable player and Christina Terio the most improved.

This year Rebel's Basketball team had their most successful season in almost 30 years. Their final record was 16-9. After finishing the regular season at 12-8 the Rebel's entered the post-season tournament as an underdog. Walpole won the first four tourney games in a thrilling come-from-behind fashion, this brought them to Northeastern University to face undefeated Duxbury. The Rebel's lost to the eventual state champs in a thrilling game, 56-54.

Throughout the year the Rebel's were led by senior Steve Chase and junior Todd Collins, each scored 18 points per game. Senior Doug Cantrell and senior John Morris also contributed. Cantrell averaged 10 points and 8 rebounds while Morris added 10 points and recorded 7 assists per game. Sophomore starter Kevin Collins gave us a look into the future with his dazzling ball-handling and eye-boggling passes. Seniors Steve Melanson, O.J. The girls coached by Sue Brainard, rolled through their season gaining such honors as Bay State League Champions, South Sectional and Eastern Mass Champions and finally Division II State Champions. These were well deserved titles for the Rebel Hoopsters and one which will not be easily forgotten.

HOCKEY

This year the Walpole Rebel hockey team had a disappointing season. There were numerous injuries and sicknesses which resulted in a sub-poor record of 5-12-2. The team will attempt to improve the quality of their game in the 1990-91 winter season. The whole team will be returning next year except for the loss of senior Chris O'Neil. The development year is over and the squad will be ready to make some drastic changes; hopefully following in the footsteps of other great Walpole hockey teams.

WRESTLING

This year's Wrestling Team made a step up from last year to have a superb season, finishing with a record of 13-5. With a young team and a costly injury to Senior Captain Jeff Cook, the Rebels chances seemed questionable. They were able to pull together, however, and with the help of the new assistant Coach, Bob Flukinger, they won their first six meets and showed themselves to be more worthy opponents. With the loss of only four seniors this year the next few look more promising.

The Team was led by Co-Captains Jason Mandel, Jeff Cook and Andy Rice, who wrestled at 112, 152 and heavyweight. At the Bay State league tournament the Rebels had three place winners. Mike Healey, a sophomore, finished first making him a Bay State League All-Star. Andy Rice and Keith Tracey finished second. At the south sectional tournament three wrestlers finished in the top three percent to qualify them for the states. Healey and sophomore Matt Wassel finished second, and Tracey finished third.

BOYS SWIMMING

The boys swim team had its best season to date this year. The team was larger and more experienced than last year's team. This size and experience gave them a shot at beating many outstanding teams. All of the meets were exciting and will certainly be remembered by all involved.

BASEBALL

The 1989 Baseball Team led by tri-captains Doug Cantrell, Bryan Hayes and Rob Rando became the first team in Walpole High history to win the Bay State League title with a 16 - 2 record.

They tallied a few firsts along the way - such as beating Natick at Natick (9 - 2) and beating Braintree (4 - 3) away under the lights for first place.

Walpole beat Norwell 7 - 0 in the quarter finals of the South Sectional Tournament, and lost to Holliston 5 - 3 in the semi finals.

BOY'S TENNIS

The Boys' Tennis Squad had a rebuilding year, although it was not without its highlights. Varsity consisted of six juniors and one senior, captain Eric Hampe who continued his family's winning tradition at Walpole High School. Coach Barry Greener led the "guys" with the assistance of Victor Braden and Douglas Grant. Next year the team will be very much improved and without a doubt tough to beat.

GIRLS' TENNIS

Once again the girls' tennis team accomplished the unbelievable task of winning the Bay State League title. With the experienced coaching of Carol Crocker, the team finished off the season with a record of 17 - 1. Much of the success is credited to the senior co-captains Beth Jacobsen and Sarah Maneikis who helped bring their team to the quarterfinals of the South Sectional Tournament for the second straight year. This outstanding team was comprised mainly of seniors who had been playing on the team together since their freshman year.

The highlight of the season was having the thrill of defeating the over-confident Wellesley Red Raiders on their home courts. The key to the team's success was the amazing athletic talent of the team as a whole. Memories of lying on the courts trying to get a tan before practice on 90° days; looking forward to eating Smartfood on the busrides of away games; and listening to the rap music on the radios of the people playing basketball next to us while bopping to the beat between points, will all be cherished greatly.

GIRLS' TRACK

It was a strong but young girls' track team this year. Many school records were broken: Patty Collins broke the 2 mile record twice, Patty Lee the 400 meter, and Anne Gamache the long jump.

In addition many girls achieved their personal best this year: Laurie Trudeau throwing the javelin, Lisa Gaetani throwing the discus and the shot put, and Lisa Plummer running the mile.

Patty Collins, Patty Lee, Anne Gamache competed in the All-State Meet where Anne placed 4th to qualify for the N.E. meet.

BOY'S TRACK

Three seniors offered much leadership to a very young team. Peter Armstrong and Joe Parlon both captains along with Jamie Poore all had their best seasons at Walpole High School. Jim Poore was All-Conference in the 200 meter dash. Joe Parlon ran and finished the Boston Marathon. Four others on the team were all-Conference: Dan Armstrong (400 meter dash), Ernst Francois (long and triple jump), Wally Mahoney (javelin) and Pat Ware (400 meter run). Award winners at the post-season banquet were Ernst Francois (most valuable player), Patrick Ware (Outstanding trackman), Andy Sutton (Leadership Award) and Mike Healey and Bill Langmead (J. Lee Gould Award)

SOFTBALL

In 1989 the Walpole High School Softball team qualified for the state tournament with an 11-7 record. However, the team was no-hit by Oliver Ames in the preliminary round and so were quickly eliminated. The 11-7 record was good for fourth place in the Bay State League. They defeated Braintree and arch rival Norwood in two big wins. The team was led by seniors Karen Collins, Andrea Flynn and Ann-Marie Leary. Katie Collins, a sophomore, had the highest batting average with a .492 clip.
